PRESS RELEASE

April 28, 2015

**To: GenFlex Distributors and Contractors**

**Subject: GenFlex Technical App**

As part of our commitment to provide you with the industry's best technical service, we are excited to announce enhancements to the GenFlex Technical App. This **free, easy-to-use app** puts a number of resources at your fingertips to make your job easier. And it's available on both [iOS \(Apple\)](#) and [Android](#) devices!

App Features:

- **New:** Powerful search feature to find and access the latest Product Data Sheets, drawings, codes and other documents.
- **New:** Receive push notifications with the latest & greatest information regarding GenFlex products.
- Save the files you use the most to your device for easier access. Saved files automatically update to make sure you have the most recent version.
- Easily share documents via email, or conveniently print them using an air printer.

To download our latest app, please visit the Apple/Android stores and search for "GenFlex," or visit one of the links below:
